The Chapel Hour

THROUGH CHRIST, I AM A PEACEMAKER.

"BLESSED ARE the peacemakers: for they shall be called sons of God." Peace is a positive, constructive action on the part of each individual, which calls for a constant, alert, joyous disciplining of mind and heart as well as action. Peace is a matter of personal choice and decision.

We take a tremendous step toward peace, both personally and internationally, when we decide to stop participating in the wars of the world, the warlike habits of resentment, argument, worry, doubt, fear, and other destructive states of mind and heart.

The next and equally important step is to begin participating more wholeheartedly in the activities of peace, such as forgiveness, understanding, love, and harmony.

Through Christ, I am a peacemaker. I let go of old, warlike habits of thought and speech, and I participate in peacemaking activities of mind and heart. In this way I demonstrate that I am a son of God.

Blissed are the peacemakers: for they shall be called sons of God.—Matt. 5:9

"GIVE THANKS ALWAYS FOR ALL THINGS."

I KNOW an executive who has made a note for himself and has it in a conspicuous place on his desk. The note reads, "Have I thanked everybody that I should have thanked today?" He says that long ago he learned that even when we deeply appreciate the help we are given and the services people render us, we can become careless in acknowledging that help and those services.

How good it would be if we all made such a note for ourselves. If we do not have a desk, we can make a mental note: "Have I thanked everybody that I should have thanked today?" It is easy to remember to give thanks for unusual help or services, but it is the usual, ordinary things that we may overlook. In our home, in our place of business, in our social contacts, there are many opportunities to say, "Thank you." Are we taking these opportunities?

Today, let us see how many times we can find opportunity to say, "Thank you." Perhaps we shall be surprised; undoubtedly other persons will be blessed and pleased.

Look therefore carefully how you could... giving thanks always for all things.—Eph. 5:15-20.

United Church NEWS

In the years since 1955, when the United Church came into being, the idea gained common currency that the baptism of infants in the United Church was at any time to be a penny match from the Treasury Branch. Consequently, the meaning of infant baptism in our church came to be almost nil. In the late 1950's this came to be a matter of real concern to the General Council — the highest court of our Church. On instructions from the 1960 General Council the committee on the Christian faith prepared a report and recommendation concerning the Doctrine and Practice of Church membership. The final report of this committee on the topic, made in 1962, suggested that the following practice be followed in Unit of Canada through out Canada: First that infants baptism normally be administered, with the consent of the father, to those children whose parents (or godparents, one or both, have been baptized, confirmed and are in "good standing" with the Church. Second, that exceptions to this rule of procedure be made only with the consent of the Session, who should require that a sponsor make the vows for the parent — the sponsor being someone who is baptized, confirmed and in good standing with the Church. Third, that infant baptism should normally be administered in the presence of the whole congregation to which the parents are attached, and that no United Church minister may baptize a child in case where another minister has refused or attached condition. Fourth, that baptism in the meaning of baptism be given to the infant as soon as possible before the sacrament is administered.

Even a quick reading of the above paragraph will show you that our Church has right and up considerably the requirements for infant baptism. What these regulations mean for us in simply this: there can be no more "baptism by proxy" or "private baptism." There can be no baptism in parents are unwilling to have any participation in the life and membership of the church and there can be no baptism of infants unless the attempt is being made to have a Christian faith be one a meaningful thing in the life of our people, and to have our commitments given with more understanding, and more serious intention.

who will express an opinion upon this, will have opportunity at the Annual Meeting to do so. Also early in the New Year, I intend to give a series of sermons on "Where We Stand" one of which will concern itself with the Sacraments.

What all of this means, of course, is that infant baptism and the commitment of it requires from families, is being taken more seriously by our Church. There is no attempt being made to deny anyone baptism. The attempt is being made to have a Christian faith be one a meaningful thing in the life of our people, and to have our commitments given with more understanding, and more serious intention.

CURLING.....
Cont. from page 1, col. 4.

The Club lounge and lower lobby are hoped to be completely finished by the weekend. The lounge upstairs will again be restricted to members and guests of the Club only. Modern facilities will make the lounge a comfortable place to relax before and after the game.
The Sunday night mixed league are still looking for a few teams to complete more 10 teams for the league. If you are interested in curling in the mixed league please drop into the rink and out your name on the board or call Dr. H. Skimshel at 545-3859, 545-3840.

If you interested in picking up a goudge match call caretaker George Mohr at the rink at 545-0108 or 545-3823.

A diet certainly takes the starch out of you.

LETTER TO THE EDITOR

Dear Sir:

On behalf of the Alberta Tuberculosis Association and I am sure, the residents of your community, we would, at this time, like to express our thanks and sincere appreciation to you for the excellent publicity you have given our Mass Chest X-ray and Tuberculin Testing Survey programme in your district.

The Clinics were quite successful, and the success of such is no doubt due in part to the publicity you have given us, and we are with to assure you we appreciate it very much.

Thanking you again for your kind co-operation, I remain,
Yours sincerely
Director of X-ray Surveys.

NEWS YEARS MESSAGE

magnitude of these problems is such that they cannot be resolved by human industry alone. To attain the peace on human faculties and limitations and recognize our individual and collective dependence on the sovereign God with whom all things are possible. That men and nation will choose that one remain in sure hope for a better world should be our fervent prayer as we enter these new year.

Personally, and on behalf of the Government of Alberta, I wish you God's richest blessing throughout 1966.

The December club meeting consisted of the usual business session and a special party celebrating Christmas. There was an exchange of gifts.

Gail Tomlin and Linda Arle were each presented with a men's latitude City Club ring as a reward for their excellent club work in 1965-64.

Elaine Waddell, Marilyn Sodergren and Mrs. L. Brown, club supervisor, supplied the entertainment.

Jocelyn Berlinguer and Karen and Sharon Chaput provided a very Christmas lunch.

If weather permits the next meeting shall be held this coming Saturday, January 8th, 1966.

ALBERTA SAFETY COUNCIL

Edmontonians have more traffic accidents before being injured than do Californians according to statistics released today by the Alberta Safety Council.

On the eleven month record of 1964 Edmonton motorists and pedestrians can expect an injury for every 8th accident while in Calgary 6 accidents resulted in injury. In Edmonton a traffic death occurred for each 472 accidents while in Calgary there was a death for each 504 accidents.

To the end of November Edmonton had 11,718 accidents with 11,430 injuries and 24 deaths. In the same period Calgary recorded 6,978 accidents, 1,061 injuries and 21 deaths.

Residents in the capital fare better than in the rest of the province, according to estimates of property damage by the respective police forces. The average cost of a collision in Calgary is \$411.00 while the same accident in Edmonton would cost \$203.00. Since January 1st, 1964, Calgary police estimate that \$2,625,854.00 worth of property has been damaged by motor vehicle accidents. The property damage figure for Edmonton is \$2,549,125.00.

During November, reports the council, Calgary recorded 738 mishaps with Edmonton indicating 1,603. Injury-wise Edmonton tallied 138 while Calgary reported 97. Both cities recorded two deaths during the month. Royal Canadian Mounted Police meanwhile reported 23 deaths for the 30-day period, with 978 accidents and 307 injuries.

To the end of November Alberta recorded 924 motor vehicle deaths. The month of November accounted for 22 deaths, down 7 from last year. The figure of 224 surpasses last year's record highway slaughter of 219. It is expected that December's fatalities will push the 1964 grand total to close to the council's earlier prediction of 980 highway deaths.

Accidents on a province-wide basis are up 6 per cent over 1963 to 29,461, with injuries climbing one percent to 1,333. November accounted for 3,972 collisions and 629 injuries.

Laughing a huge fish, an angler met another fishing enthusiast whose catch consisted of twelve small ones. "Howdy," said the first man as he gingerly laid down his fish for comest.

The other fellow stared for a few moments and calmly responded, "Just caught the one, eh?"

TROUBLE OVER!

THANK YOU FOR YOUR HELP

Calgary Power have completed repairs on their main Wabamun generator and power output has been restored to normal. Full use of your electric service can now be enjoyed.

DUE TO YOUR CO-OPERATION in voluntarily easing up on power consumption during the daily peak-load period, all essential electric services were fully maintained while the generator was being repaired.

Calgary Power appreciates the assistance of Canadian Utilities, the cities of Edmonton, Lethbridge and Medicine Hat for supplying them with reserve power, and the sympathetic response of the City of Calgary Electric System in permitting the appeal to their customers.

We take this opportunity to wish all our customers

A HAPPY NEW YEAR

Q. When passing salt and pepper shakers at the table, does one hand them directly to the person who asked for them, or does one put them down on the table within reach of the other person?

A. Handing them direct to the other person can sometimes prove awkward. It is better an safer to place them on the table as close as you can to the other person.

Q. Can an elopement or "run away" marriage later be annulled by means of the court's annulment suit?

A. Yes; the announcement of this kind of marriage can be made by the bride's parents as it would ordinarily.

Q. Is it proper to issue invitations to a cocktail party over the telephone, or must they be mailed?

A. Either way is perfectly correct.

Q. Just what should I do after I have completed the introduction of two other persons? I always at a loss in these circumstances.

A. Try to act as a "mode" for the ensuing conversation. It is a nice to bring up a subject you happen to know of mutual interest to these two persons, and this usually stimulates the conversation.

CHRISTMAS PLAY

STAFF PICTURES.

On December 16th, the Guides put on their Christmas program, entitled "Red Rose Patrol". At the same time Captain Mrs. Marjorie Amittage presented a few legends. In the top picture are Patricia and Agneta Eysenrich had just received their First Class Badges, and in the second picture from the top Diane Stevens and Candy Oetting are shown with Patricia and Annette. Diane and Candy had just received their Second Class badges.

In the two lower pictures we see Valerie Schulte and Connie Kowher in one picture and Sylvia Dixon and Tony McCre in the bottom picture. They were taking part in the Guides play.

SNOW AND STILL MORE SNOW..... TAKEN AFTER A FRESH SNOW-FALL IN THE TOWN OF ARLINGTON, WASHINGTON, JUST NORTH OF SEATTLE. THE DAY AFTER THE PICTURE WAS TAKEN, A RAIN TOOK AWAY THE LOW-LYING SNOW, BUT THE VERY NEXT DAY ANOTHER TERRIFIC SNOW BURIED THE LANDSCAPE AGAIN.

The local Guides, under the leadership of Captain Mrs. Marjorie Amittage staged their annual Christmas program on Wednesday, December 14th with a large group of parents and other interested persons on hand for the performance.

Following the staging of O Canada, Debbie Bura gave a recitation: "The Night Before Christmas", followed by Lisa Lecky who also gave a recitation.

Next on the program was a play "The Lily of the Valley" and the Third Pack Brownies gave "The Dumbest Boy". The Fourth Pack Brownies gave a skit, "The Pack Brownies Give A Skit". The Pack Brownies gave "A Doll's Lullaby". A song, "Holly Patrol" was then given, and "The Daffodil Patrol" symbol of Christmas.

This was followed by the presentation of First and Second Class badges. The play "Red Rose Patrol" was then given, followed by a song "A Way in a Manger". Beatrice Byrnes gave a recitation, which was followed by the Guide Sing Song.

Mrs. Hammett led in Brown Owl for the Fourth Pack Brownies and Mrs. Wickens in Brown Owl for Third Pack.

Mrs. Amittage is assisted in her Guide work by Lieutenant Mrs. Eysenrich and Mrs. Lundquist.

WILDLIFE STARVING

Reports have reached the "Times" office that Passants are dying from hunger, as they are unable to get feed through the deep snow. It is suggested that those wishing to save these birds place some grain beside a tree or post as scattered in the snow is lost.

Avifauna are also reported in desperate way, the few fables of feed put in the fields would help them.

Alberta Newsstands Violate Liquor Control Laws

If you operate a newsstand in the Province of Alberta, and display and sell magazines and newspapers that are not printed in Alberta, you are probably guilty of breaking the Alberta Liquor Control Act.

In fact, you could be guilty of breaking the law by offering or sale the FINANCIAL POST which is actually printed in Calgary—and you are subject thereby to a fine of up to \$1,000 or 60 days in jail.

Under Section 90 of the Liquor Control Act, "No person within the province shall, (1) exhibit, publish or display—any form of advertisement of or concerning liquor."

Just about every newsstand in Alberta displays and sells such well-known publications as the FINANCIAL POST, Reader's Digest, Maclean's Magazine, U.S. News & World Report, Playboy, Esquire and scores of other magazines and newspapers printed outside of Alberta, carrying on their pages a wide variety of liquor advertisements.

The Alberta Liquor Control Board itself has complete power over the press in the Province of Alberta in determining what can be published and what cannot in Alberta newspapers.

The A.L.C.B. can tighten or loosen its controls over the news media of the province. These controls have in the past been very effective in restricting liquor advertising to publications printed outside Alberta.

The only practical effect, however, has been to deny Alberta printers & publishers from sharing in the advertising revenue generated by the brewing and distillery firms and the wine merchants.

The government would, if it wished, ban all magazines in Alberta that carry liquor advertising from public sale on newsstands in this province. In fact, failure to do so, under the present law, is a deviation of the duty of the Alberta Liquor Control Board, and the Attorney-General of this province.

Why Basketball?

As a student participant in this group activity he learns new disciplines and develops new values. The individual is not born with ability to participate in group activity but he must learn to take account of others, to co-ordinate his behaviour with that of others, to share and to co-operate.

Through basketball a boy learns some of our societies basic requirements and lessons. He learns that the disciplined behaviour that is required by the game requires his immediate gratification by postponing or foregoing them to insure a future goal. He learns to give up immediate satisfaction through an aspiration which cannot always be achieved and thus he learns to develop strength through discipline. It is a bonus to one who takes part in such an activity in preparing him, personally to live, work and achieve and in many cases lead in our similarly competitive adult world. This is why schools at all levels, universities and colleges have an active basketball program.

Scout News

At the regular monthly meeting of Drayton Valley Boy Scout Group Committee held in Scout Hall, Monday, January 11th, two points of Scout business held particular interest. First was the Cub Scout Drive, set to get underway this coming Saturday, January 16th, and the other point of business interest was the Annual Ice Cam nival for which a tentative date of February 13th was set. This latter date, however might possibly be changed if the desired location at which to hold the Camival cannot be obtained for that night.

Curling

Local Legion Curlers curled seven games in Evansburg last Sunday to come out as champions. Skip of the local rink was Archie Griffith. A. Meier, Thel, Glen McLaughlin, Second and Jake Berg, Lead. They won the Legion Zone Championship at Evansburg and from there they go on to Northern Alberta to play the same rink at Edmonton. Place at which this will be held has not been decided yet.

The local rink played seven hard-fought games to come out as champions. In fact, in achieving it they had a most unusual double-win.

PICTURE BY JACOBS STUDIO

Albert "Bert" Telford, Northwestern Utilities' local agent was born in Edmonton, where he received his elementary schooling, and then attended St. Anthony's College and St. Joseph's College for his further education. The senior Telford was a salesman.

In 1952 Bert went to work for the City of Edmonton, and in 1956 he hired on with Northwestern Utilities as a meter repairman. In 1959 his company transferred him to Legat, as local agent, where he remained until August of last year, when he was transferred to Drayton Valley as local agent, taking the place of Nick Klus who was being transferred to Edmonton.

Bert is very interested in community affairs. He represents his company on the Drayton Valley and District Chamber of Commerce. He is a member of the Drayton Valley Lions Club, and a member of the local curling club. He serves as Civilian Insignior with the Legion sponsored Air Cadets.

TEEN SCENE

By: John Bright,

With the coming of the new year the teen scene in Drayton Valley is looking very good. The teen club called Pembina Teens, formed in the latter part of 1964 to increase social activities for teens has made much progress in membership and in the activities it has sponsored. Headed by president Dave Joyce, Pembina Teens has held several successful dances and is looking forward to more activities along the same line in the near future. Anyone between the ages of thirteen and sixteen is welcome to join the club. Membership is two dollars and entails the members on all the benefits of the club.

The local rink played seven hard-fought games to come out as champions. In fact, in achieving it they had a most unusual double-win.

At the High School, the Student's Union is also looking forward to a successful 1965. Several big dances have been planned for the future. The Sweet Hearts Swing in February and the April Prom, to name just two.

That's all for now, more teen news next week.

CHECK YOUR CHIMNEY

Extreme cold plus high humidity can cause an ice cap to form on chimneys, restricting proper exhaust of products of combustion. Make a visual inspection - see that overhanging or accumulated snow or ice is not blocking your chimney. If it is, we suggest you clear the chimney for safe, efficient operation of your gas heating system.

Here are three important reasons why it will pay you to renovate and redecorate your home now!

1 SKILLED MEN ARE AVAILABLE—NOW!
Although more and more building is being done each winter, exterior construction does slow down during the cold weather. As a result, home improvement contractors and skilled craftsmen seek out the smaller interior jobs that they are unable to handle during the summer. You benefit—by skilled workmanship by experienced tradesmen when it's most convenient for you!

2 DISCOUNTS AND LOANS ARE AVAILABLE—NOW!
To staff incentives that will balance their sales and keep their staff employed throughout the year, building supply dealers run winter sales. These special discounts help you renovate and redecorate at the lowest possible cost. You'll find your bank a good place to visit, too—for low-interest home improvement loans under the National Housing Act up to \$4,000, with up to ten years to repay!

3 MATERIALS ARE AVAILABLE—NOW!
When building slows down, materials become more readily available. Reputable dealerships in completing your job because of late delivery of supplies are eliminated.
There's no doubt about it. Winter is the very best time to spruce up your home (and your place of business)—quickly, efficiently, inexpensively!

For advice and assistance call your National Employment Office. Everyone benefits when winter work is increased. **DO IT NOW!**
Sponsored by authority of Mrs. John J. Macdonald, Minister of Labour, Ottawa.

Ten For Nine

The Stony Plain Local A. T. A. No. 10 is again presenting awards to the ten top A students in Grade nine. Since the Stony Plain School Board now awards these with honour awards, this local decided to recognize the efforts of those who achieved nearly as honours awards. Grade nine students within the Stony Plain School Division and Leducville School are eligible.

The winners are: Barbara Lynn Harris - Stony Plain; Lenora Kemlin Kruger - Drayton Valley; Caroline Ann Kitchin - Drayton Valley; Neil Evelyn Hutchinson - Drayton Valley; Donna Fern Foster - Stony Plain; Charles Nicholas Edwards - Stony Plain; Marilyn Sandra York - Leducville; Susan Valerie York - Leducville; John A. Jethon - Spruce Grove.

Stop worrying about your future. It may not last that long. Notice to Motorists: Watch out for school children - especially if they are driving cars. On a roadside fruit stand: "God help those who help these drivers."

THE ENVOY SHERWOOD STATION WAGON
The Envoy Sherwood Station Wagon is all-new for 1965 - longer, wider and lower with five inches more shoulder room inside. Space-wise engineering features curved doors and windows plan that provide more room inside without affecting the sleek exterior. Features include a 71 per cent increase in tonnage, coil-over suspension, and a new heater designed for sub-zero temperatures, a new improved braking system and splash guards inside the fenders which can be removed. There is a new nine-horsepower engine. The Envoy Special and the Sherwood are both all new for '65. Among other features this station wagon has improved interior for the most looking door.

AGRICULTURAL EXTENSION SERVICE
A two day school in Home Planning and Remodeling will be held in Stony Plain on January 18th and 19th, commencing at 10:00 a.m. each day. The agenda for the first day will cover: course

as of credit for home builders, contracts, locating the home and utilities.

On the second day the program will feature: discussion on exterior materials and design, doors, windows, advice on choice of quality materials, and how to combine beauty and utility for interior.

Miss Diane Hammer, Home Design Specialist, and J. L. Field, Extension Engineer of Edmonton will be conducting the two day meeting.

Ambrose Lumber Ltd. of Stony Plain, sponsors of the first day, sponsors of the second day, sponsors of the displays of fixtures, materials, doors, windows, and other accessories at the Community Centre where the school will take place.

In appreciation of your services, we are:

Yours truly,

Library

Mrs. Howard Catena has very kindly offered to help at the library. We welcome Mrs. Catena to our staff. This year there will be a number of magazines for borrower use. A magazine may be borrowed in addition to the usual number of books. Watch for Time, Life, National Geographic and other periodicals at your library located on the east side of the Town Hall.

Library Hours: Tuesday - 12 to 1 for bus children only, 3 to 5 and 7:30 to 9 and Friday 3 to 5.

DRAYTON VALLEY HIGHLIGHTS

By Edith Daby
A wedding of interest was solemnized in Edmonton on Sunday day when Miss Barbara Sompt, daughter of Mr. and Mrs. Gordon Sompt, married Mr. Jim Sompt, of the Edmonton teaching staff. Barbara will be remembered here as the little girl who figured so prominently in figure skating when our town was young.

and Mrs. Roy Sompt... family returned from a holiday spent near Palm Springs, California. They arrived by air last Thursday and stopped out in our intriguing winter weather. (We understood that the Sompts are wondering just why they did return.)

It will soon be time to reorganize the 4th Garden Club. Oh, yes, we know it is cold, but there is much planning to be done before those seeds are planted. Watch this column for a further announcement early in February.

The Chapel Hour Teen-Age Smokers

The current increase in smoking among teen-agers is extremely serious in view of its effect on health. The Surgeon General's report released last January showed that smoking is "an important cause" for the rise in chronic leucemias, lymphomas, and coronary artery disease. The report said the use of tobacco is a frequent cause of heart failure. If we want American youth to be free from these diseases - if we don't want them to have cancerous lungs or weak hearts - we will be greatly concerned about the present situation.

Statistics were presented by the government report which showed that the death rate from lung cancer among cigarette smokers is 1,000 per cent higher than among non-smokers. "There can be no doubt that a smoker invites the horrible specter of cancer upon himself," it stated. "Air pollution and other factors are minimal in comparison with smoking."

For these reasons, if for no others, adults have reason to be genuinely alarmed over the fact that more teen-agers are smoking than ever before - and that they are starting earlier. Surveys by the American Cancer Society indicate that about 10 per cent begin cultivating the cigarette habit by the seventh grade, and 50 per cent are regular smokers by the time they reach the 12th grade. Educational authorities are worried. Some schools prohibit smoking on the school grounds. Other schools permit students to smoke in a special room - provided they enroll in a course on tobacco's harmful effects on health. Teachers warn the boys and girls but they find the habit spreading among their pupils in spite of everything. The constant barrage of cigarette advertising has the desired effect.

The U. S. Children's Bureau recently conducted an attitude survey among teen-agers to find out what, if anything, adults can do to influence young people in this matter. On the basis of this survey the Children's Bureau said to parents, "If you don't want your child to smoke, don't smoke yourself." It states is sound and simple enough until the parents try to quit the habit. They try pills; they try methods; they tell themselves they are going to quit but all their efforts fail. If they would take their problem to Christ in prayer they would find deliverance from this bondage - for the Lord came to earth to set men free from all harmful habits. There is a cure through Christ's mighty power.

The greatest thing parents or other adults can do for teen-agers is to set a good example and to teach their children what the Bible says about the human body. The body is the temple of the Holy Spirit. God wishes to dwell in these bodies; therefore they should be kept as clean, as healthy, and as strong as possible.

Another thing adults can do is to insist that the government pass proper laws to protect youth from smoking. If tobacco advertisers will not voluntarily warn the public about their product there should be legal pressure. The Federal Trade Commission announced that all cigarette packages will be required to describe the contents as health hazards which could lead to death. First it was said this would go in effect January 1, 1965. Then a six-month delay was announced. The legislation is threatened with court tests which could delay this labeling for years. Undoubtedly the eight-billion-dollar tobacco industry will continue to let American youth smoke themselves into hospitals, wheel chairs, and premature death unless the American public demands that Congress and the White House disregard all the tax dollars, business profits, and the votes of people who make their living from the tobacco industry, and act.

THE PENTECOSTAL EVANGELIST

IT SHINES FOR YOU

The quails beneath their little roofs of glass.
Behold the window with enchanted eyes,
To them the light that streams out from the glass.

Is like the dawning of a new sunrise.
The rabbits gathered in a midnight light,
Approach the rim of radiance, to find
Ears pricked in wonder at the shining thing.

That parts the darkness with so sure a hand.
The popples rustle silver leaves and sigh,
The wind comes softly whispering through the night.

And someone on the highroad passing by
Takes courage from the presence of the light.
And so it is, when shadows dim life's slope,
Or when our footsteps stumble and we fall,
Who gives us then a window bright with hope.

Has done the most beloved thing of all -
Has caught the gleam of God's eternal day.
With Christ's own shining flooding to the brim,
And someone waking half a world away,
Thinks on the light, and knows it shines for him.

United Church NEWS

The January meeting was held on January 10 in the Church basement. Due to the very cold weather there was a very poor attendance.

The 1965 executive committee of Mrs. Nettie Dixon, as President; Mrs. Carol Highland as Secretary and Mrs. Pat Milne as Treasurer.

Mrs. Vera Braden volunteered to look after the cards and flowers for the next year. Some of the other committees will be filled later when most of the members are present.

A Committee was formed to meet with the Men's Club to arrange for a congregational meeting to be held on the first of February.

The hospital visitors for January were appointed. It was felt that a very important part of our Church life and that we were being made to involve more of the congregation in this work.

An address by Mrs. Gert Beasly was given by record with Mrs. Joan Strachan coming on to lead and leading the discussion. Lunch was served following the meeting.

How to Pray

O, do not pray for easy lives. Pray to be strong men. Do not pray for tasks equal to your powers. Pray for powers equal to your tasks. Then the doing of your work will be no miracle, but you shall be a miracle. Every day you shall wonder at yourself, for the richness of life which has come to you by the grace of God - Phillips Brooks.
